Tip of the Week

Phone-a-Thons

With many parishes in the final stages of the campaign, now is the time to reach out to as many parishioners as possible before Commitment Weekend. One of the most effective ways of contacting people is through scheduled phone-a-thons at the parish. Phone-a-thons are preceded by a letter to all remaining registered households and can accomplish three things: 1) allows households to make a pledge, 2) answer questions and 3) informs households about the upcoming in-pew appeal. Listed below are some suggestions for conducting a successful Phone-a-thon.

- **Bring back the volunteers!!!!** By now, you have completed or are close to completing your assigned packets. In addition to recruiting new volunteers, please consider attending one or two phone-a-thons.
- Bring a cell phone! Parish office lines can also be used for those without a cell.
- Conduct at least two Phone-a-thons. This will give your parish a better chance to reach more households.
- Make the calls together as a group at the parish. There are fewer distractions and you can hear how others are doing.
- Always leave a message promoting the in-pew appeal!
