Tip of the Week

Campaign Thank You's and Continued Updates

As the Bloc II phase begins to wrap up, the most active part of the campaign for these parishes is over. Though volunteers will no longer be actively seeking pledged commitments, there are still a few tasks to ensure parishioners get the appreciation and information they need.

Thank You Notes

Thank you notes are one of the most effective ways to convey your own personal thanks to donors. After visiting with a fellow parishioner and receiving a pledge, send a quick hand-written note to acknowledge their gift and show your gratitude.

Continued Updates

Many donors appreciate periodic updates on the campaign at their parish as well as throughout the diocese. Everyone wants to hear about the successes of their parish, and to know their gift made that success possible.

Keep parishioners updated on the campaign at your parish. Monthly announcements should include the total amount raised, percent of goal, and information about the funds being returned to the parish.
