Tip of the Week

Pending Decisions!!

Remember, in order to receive a timely decision we recommend the following...

- Schedule a specific follow-up date while at the initial visit. This avoids “*playing phone tag*” in the coming week and will help stress the importance of the campaign.
- Keep the pledge card with you! Not all households will be ready to make a decision at the initial visit and will need time (3-5 days) to determine their pledge. Filling out the pledge card together will help ensure all information is correct and that the pledge card is returned to the report meeting in a timely manner.
- Ask for their decision. Some people just need a little nudge. If a household you are visiting has made their decision, ask them to fill out their commitment card so that you can return it to the parish at the regularly scheduled report meeting.
