## Tip of the Week

### **Build Upon Success**

Use the success of the campaign to date to support your request. Demonstrate that other parishioners—not only in your parish, but throughout the diocese—are supporting the campaign at a sacrificial level. When making a request, update parishioners on the amount raised to date and average gift. Learning that others have already been generous to the campaign may encourage greater generosity.

*“We have already raised almost \$300,000 from just 30 gifts. That’s an average pledge of \$10,000! I hope you would prayerfully consider a similarly generous gift of \$2,400 a year for 5 years for a total gift of \$12,000.”*
