Tip of the Week

The Personal Visit

Personal visits are essential to the *With Grateful Hearts* campaign. The Campaign Case has 11 individual components, and several additional features such as the Diocesan Road Map and Hawaii Catholic Community Foundation.

Take the time to sit down with fellow parishioners to ensure they have all the information. This is also a time to share your Parish Case Statement - how your parish will use the monies returned through the campaign.

In addition to sharing the vision of the Diocese and your church, a personal visit is a perfect opportunity to build friendships and fellowship within your community.
